Hi Kaggler,

You've made it to the final lesson in the Intro to Machine Learning course!

Today's Assignment

- 1. Read this tutorial (from Lesson 7 of the Intro to ML course)
- 2. Complete this exercise (from Lesson 7 of the Intro to ML course)

Value of the Proof of the Pro

One way to further improve your skills is to participate in machine learning competitions. In **Lesson 7 (Machine Learning Competitions)**, you'll create and submit your predictions to a Kaggle competition.

Congratulations for completing the Intro to Machine Learning course! Tomorrow, you'll start with the Intermediate Machine Learning course.

Happy learning, Alexis
